and 2nd in P2 Corporate Reporting which is brilliant recognition for both the students and lecturers.

Our Prize winners say

James Dunning, ACCA Paper P5 – 3rd in Ireland & 14th in the World, December 2010

I would like to pay tribute to the lecturers at Griffith College who gave me so much help during the course of my studies. What I found so wonderful about the college was the small class size. Furthermore, the lecturers through their enthusiasm and knowledge managed to bring life to material that was at times quite tedious and technical, Reg was especially excellent at this on P2. Finally, I would like to thank those in charge of the college itself for making rooms available to students in the run up to the exams, enabling me to study free from the usual distractions at home. Thus in summary I would strongly recommend the college to anyone who is undertaking the ACCA qualification and have done so already.

Heidi Monahan, ACCA Paper F8 – 1st in Ireland & 10th in the World, December 2010

I would like to thank Griffith College for the level of support they have provided to me during my ACCA exams. I picked Griffith College for a number of reasons. Firstly, their convenient locations, I was able to attend lectures in my home town Naas. Secondly their standard of lecturers, Umesh Rana my audit lecturer was so enthusiastic, he made you want to learn. Thirdly, their online resource, the majority of their lectures are recorded which allowed me to watch any lectures I missed and re-watch lectures where I did not understand a concept fully. I achieved 1st in Ireland in my Audit and Assurance and this was due to Griffith understanding the needs of a working student and providing me with all the resources I needed to juggle work with college and still achieve high results.

Our Prize winners say

Michelle O'Reilly, CPA 1st P2 Strategic Corporate Finance

I initially chose Griffith College for its CPA Goldstar Approved Educator's status and was not disappointed. The material provided was excellent and I found the Lecturers to be very helpful, enthusiastic, knowledgeable and exam focused. It was a very positive experience and I would recommend Griffith College to anyone considering sitting professional accountancy exams."

John O'Connor, CPA 1st P1 Corporate Laws & Governance

I successfully studied for my P1 and P2 CPA exams with Griffith College Dublin. I found the course material and revision notes supplied by the college excellent. My lecturers were very knowledgeable and approachable, and made the subjects both interesting and manageable. My lecturers were also always willing to go the extra mile in relation to any extra help or assistance required throughout the year. In addition, I also found the accountancy support staff friendly and helpful in my dealings with them. I would recommend Griffith College to anyone considering studying professional accountancy in the future.

Damian Bourke, Chartered Accountants 5th in Ireland in the FAE Examinations

I would recommend Griffith College as a great choice for those who are sitting professional accounting exams. The lectures helped develop my technical skills and broaden my general business knowledge, which are both essential for the FAE exams.

The lecturers were very approachable and always willing to help students when requested. I would like to thank the Griffith College lecturers for their hard work, effort and support of FAE students in what is a challenging year.

Noreen O'Sullivan, Chartered Accountants 6th in Ireland in the FAE Examinations

I completed the new FAE course with Griffith College Dublin (GCD). I found both the lecturers and administrative staff at the college to be very approachable and extremely helpful, supportive and understanding during what was a very stressful time. I cannot thank them enough for the guidance and reassuring words they provided me with.

Furthermore, the small class sizes on the Waterford/Kilkenny course resulted in a high level of interaction between the students and lecturers, and I found this to be extremely beneficial.

GCD is an excellent college which I would highly recommend to anyone sitting professional accountancy exams."
