

**GRIFFITH COLLEGE DUBLIN
DISTANCE LEARNING PROGRAMME
APRIL 2012**

Griffith College Dublin offers Distance Learning Courses which include:

Course Manual

A comprehensive study manual which has been developed using the material built up by the college over a number of years to coincide with the current CPA syllabus for the forthcoming examinations.

The programme is designed for you as a student studying predominantly on your own. Therefore, it is structured in such a way as to promote self-managed learning and the text is interactive in its approach. It incorporates activities throughout to help consolidate your learning and give you the opportunity to relate your knowledge to a practical, workplace situation.

Each part of the programme consists of a number of short manageable study units that should take between 3 and 4 hours to complete.

A series of questions and answers are included which will enable you to test your knowledge of the distinct areas of the syllabus.

Test Examination

Your course material also includes text examinations to be marked by your personal tutor. As well as giving you an opportunity to test your understanding of the course material against time constraints, your tutor will also provide useful feedback on the style and content of your answers. You will also receive Suggested Answers to give you an idea of how the question could have been answered.

Monthly Assignments / Un-limited access to Tutors

Throughout the entire period of study all students have unlimited access to tutors, to discuss technical points or receive advice on best study practices. Registered students have access to our intranet www.moodle.gcd.ie, here you will find your tutors email address, each tutor uploads course structure, and information of what chapters/study units should be covered in order to complete the monthly assignments.

Your tutor may be a practising professional, an author or examiner, but you can be sure that you are talking to a specialist in their field. In addition, all tutors are fully conversant with the style of examinations, and the expectations and standards of the examiners.

Revision Course

You are entitled to avail of our revision courses at a discounted price. Please visit our website www.gcd.ie/cpa for Revision Course Dates.

To Register

Please complete application form and return with payment to **The School of Professional Accountancy, Griffith College Dublin, South Circular Road, Dublin 8.**

If you have any further queries, please do not hesitate to contact **Patricia Greene**, on 01 4150473, patricia.greene@gcd.ie
