PROJECT MANAGEMENT PRINCIPLES

This course will enable the individual to understand the role of the project manager and project sponsor, use the project management methodology to define the project terms of reference, prepare a project plan, finance a project and develop skills in monitoring, communicating and controlling a project in order to achieve successful project outcomes.

Programme Outline

Students who complete this course will have knowledge in:

- Defining the project terms of reference as outlined by the project sponsor.
- Planning the project
- Setting up controls and communication links
- Identify risks that may impact the project
- Leading the implementation phase of the project
- Reviewing progress and reporting on the project
- Assessing and closing down the project

Date: Thursday, 15th December 2011

Venue: Griffith College Main Campus

Duration: 6.30pm – 9.30pm (3 CPE/CPD Hours)

Cost: €140

Presenter – Alan Brooks BA (Hons) Business Studies, Dip Project Management

Alan has lectured with G.C.D. for the past 13 years specialising in Business Strategy, Business Management, Project Management and Organisation Behaviour. He lectures on CPA, ACCA, ATI and Undergraduate Degree Programmes. Alan has previously lectured with the V.E.C.
