3	TBC	Commercial Law**	TBC	TBC	TBC

\* In Second Year students have to complete Land Law and Equity & Trusts and Financial Accounting and Management Accounting - four mandatory modules. Students may wish to take Administrative Law as an elective thus doing only three modules in semester two.

\*\* In Third Year student have to complete HRM, Equity & Trusts 1 and Strategic Management - three mandatory modules. Students can then choose one of the three electives (Administrative Law and Jurisprudence are mandatory for King's Inns). Should they decide to take both Administrative Law and Jurisprudence (attending either part-time) they would only have to take three modules in semester two.
